Re: ***ValveTech, Inc. v. Aerojet Rocketdyne, Inc.***  
**Case No.: 6:17-cv-06788-FPG-MWP**

Dear Magistrate Judge Pedersen:

Pursuant to this Court's procedures regarding enlargements of time and the Court's Amended Scheduling Order (Dkt. 136), Plaintiff ValveTech, Inc. submits this letter on behalf of both parties to request a brief one-month extension to the deadlines set forth in the Amended Scheduling Order. Both parties consent to the requested extensions. The parties contend there is good cause for this brief extension due to the restrictions and closures from the resurgence of the Covid-19 pandemic, which have created additional challenges in preparing discovery, including preparations for the significant number of depositions that have been noticed by the parties. This is the parties' third request to extend these deadlines.

Event	Current Deadline	Requested Deadline
Completion of all fact discovery	January 14, 2021	February 12, 2021
Disclosure of burden expert reports	February 16, 2021	March 16, 2021
Disclosure of rebuttal expert reports	March 15, 2021	April 15, 2021
Completion of expert depositions	April 14, 2021	May 14, 2021
Filing of dispositive motions	May 14, 2021	June 14, 2021
